London | +44 7417370118 | evahajar2004@gmail.com

## SUMMARY

Second-year Computer Science undergraduate at Roehampton University with a strong foundation in Python, C++, SQL, and object-oriented programming. Interested in automation, data-driven systems, and applied AI. Seeking a software engineering internship to contribute to real-world internal tools while learning best practices in development, testing, and collaboration.

## EDUCATION

### Bachelor of Computer Science

September 2024 - June 2027

Roehampton University

- Relevant coursework in Software tools, AI, Databases, OOP, Operating Systems & Computer Systems

## SKILLS

- Python, C++, Java
- Problem-Solving: Codeforces, LeetCode
- SQL, HTML, JavaScript (basic)
- Object-Oriented Programming
- Git (basic)
- Career Focus

## PROJECTS

### Veterinary Management System (C++)

This is a complete clinic operation system implementing full OOP concept.

Features: access-control role, make appointment, modify the reservation, cancel a booking and pet information management.

GitHub Repository: <https://github.com/A00024033/veterinary-management-system>

### E-commerce Database Analysis (SQL)

Analyzed a dataset on e-commerce to gain insights into the real-world.

Created complex SQL scripts for reporting and analytics.

GitHub Repository: <https://github.com/A00024033/E-commerce-Database-Analysis>

### Personal Portfolio Website (HTML/CSS/JS)

Online Portfolio Website — Projects And Skills Template

GitHub Repository: <https://github.com/A00024033/portfolio>

## EXPERIENCE

### Bartender/Waitress

May - October 2025

#### Common Pizza

- Demonstrated reliability, time management, and adaptability during peak hours.
- Collaborated with team members to achieve target results.

### Bartender/Waitress

October 2025 - Present

#### Ollie's House - Parsons Green

- Developed strong communication skills and professionalism through daily customer interaction.
- Provided attentive customer service in a high-volume restaurant environment.

## **LANGUAGES**

- English : Advanced
- French : Proficient
- Arabic: Proficient
- Spanish: Intermediate

## **HOBBIES/INTERESTS**

- Reading (self-development, fiction, and tech-related topics)
- Traveling & Exploring new cultures
- Seeking new adventures & experiences
- Problem-solving & competitive programming ( participated in MOI : Moroccan Olympiads in Informatics)
